22

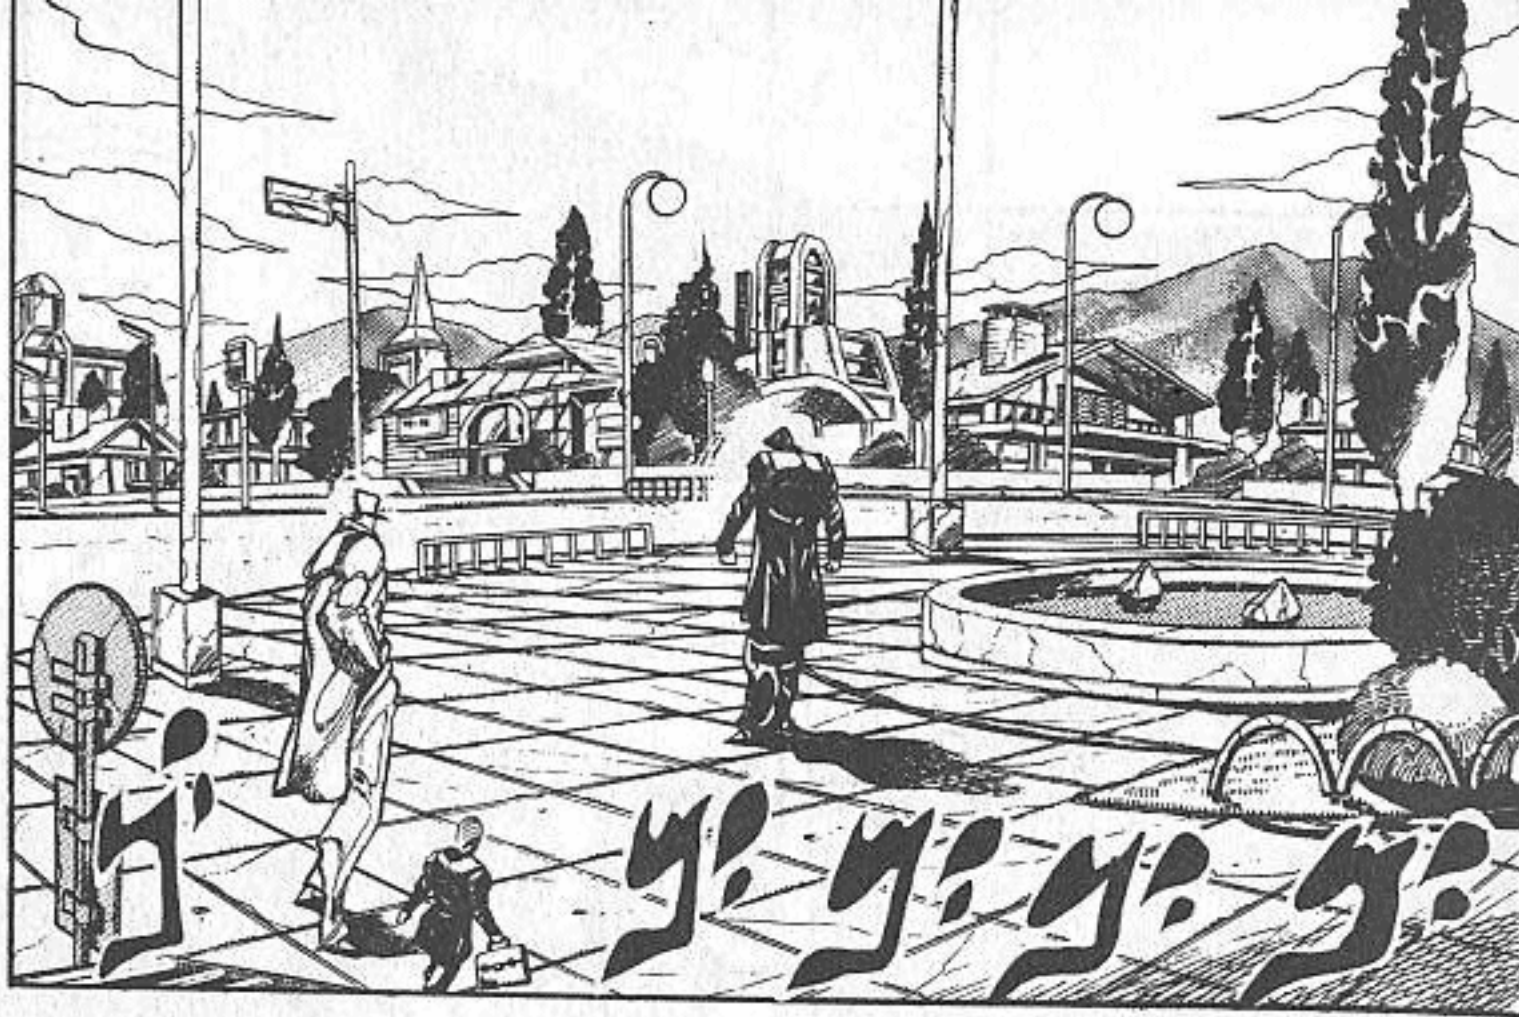

I was just telling Jotaro the way.....

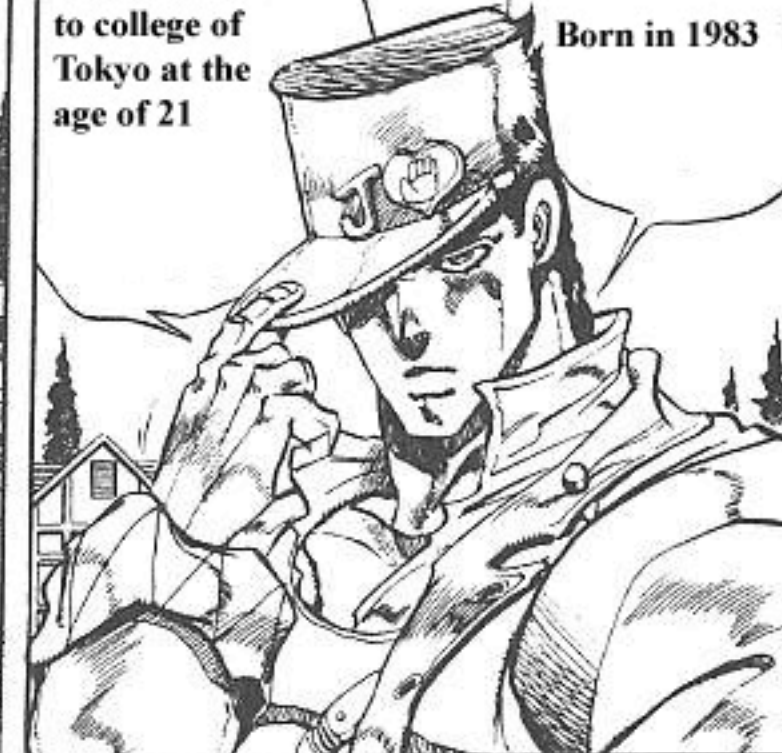

But my eyes can't move away from them, these 2 guys have deep relationships..... because, they bear the horrors of this town....

your mom's name is Panko, went to college of Tokyo at the age of 21

Josuke Higashikata
Born in 1983

That old bastard, saying like a saint something like he only loved his wife in his whole life....

he was out having a fun time when he was 65 and had you, he doesn't even know!

Joseph Joestar, even very healthy at the age of 79, was trouble by the inheritance of his real estate business, when he did a research of his family members, surprisingly found a son still living in Japan. HE HAS ABSOLUTELY NO KNOWLEDGE OF THIS MATTER!!

this is....

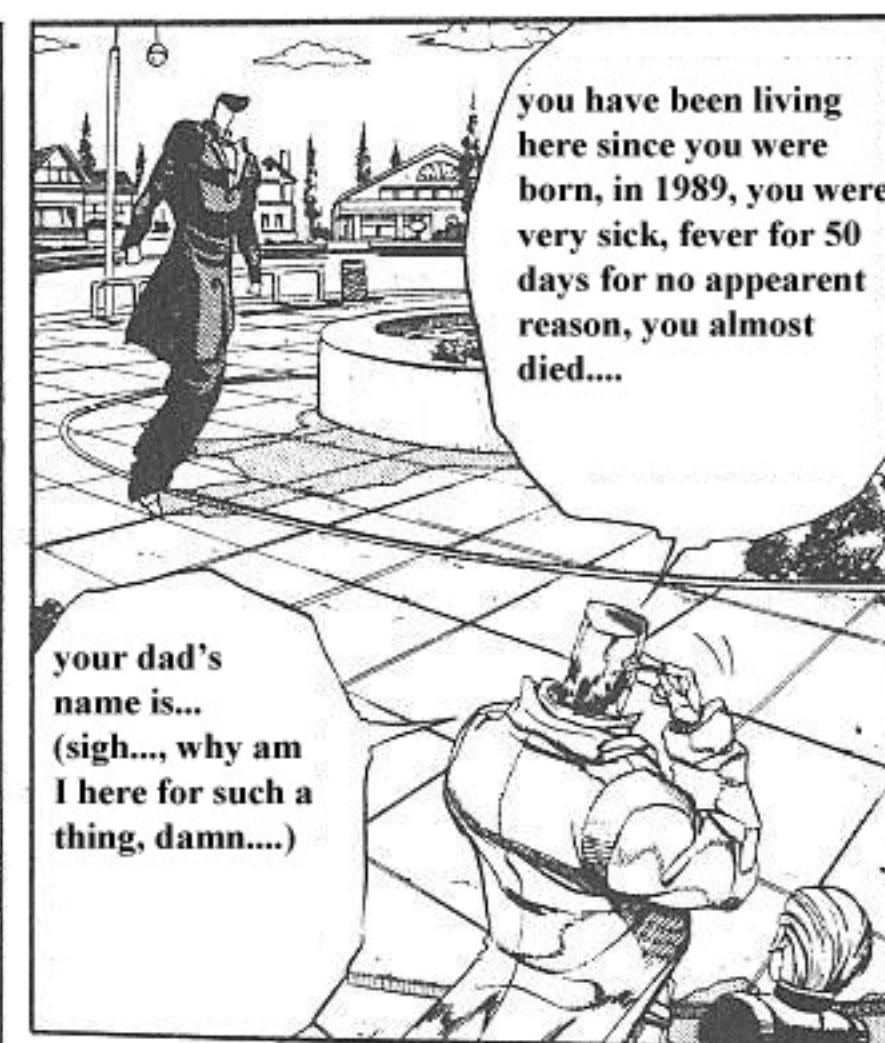

my nephew?

My name is Kujo Jotaro, I am supposed to be your nephew, weird, huh?

(sigh) I finally found you....

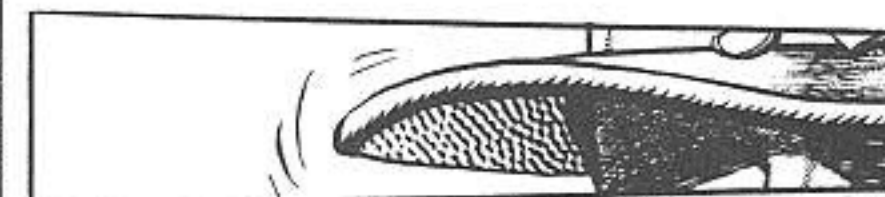

JOSEPH JOESTAR!

you have been living here since you were born, in 1989, you were very sick, fever for 50 days for no apparent reason, you almost died....

your dad's name is... (sigh..., why am I here for such a thing, damn....)

But my mom really loves my dad, so they had me, I know about this pretty well.

Just go tell my dad, um.... Mr. Josder, don't worry about us, we're alright like this....

nothing, it's just that ...

It's not good for the family when something like this happens....

HEY, WHAT'S WITH YOU?

Why apologize all of a sudden?

anways, you can have 1/3 of all his possessions.

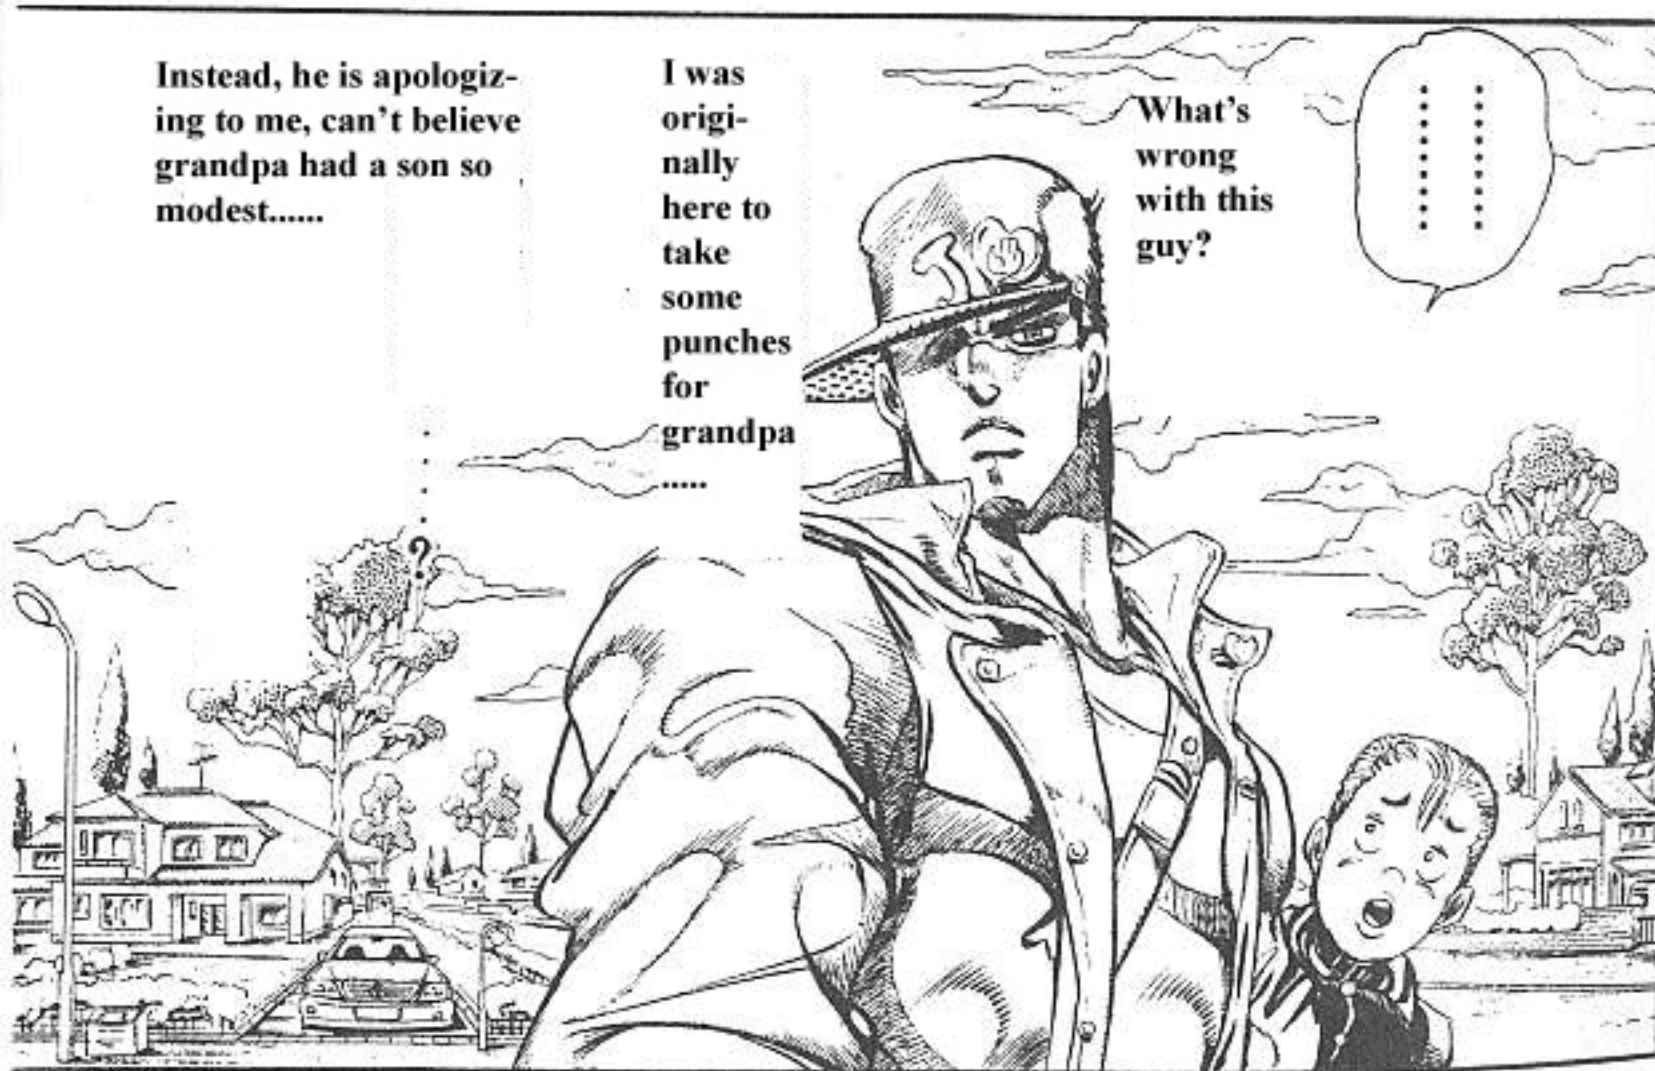

I am here to tell you this, for you, the whole family was in total chaos over the inheritance.

Instead, he is apologizing to me, can't believe grandpa had a son so modest.....

I was originally here to take some punches for grandpa

What's wrong with this guy?

.....

I AM VERY SORRY! EVERYTHING IS BECAUSE OF ME, I APOLOGIZE FOR THE PROBLEMS I BROUGHT UPON THE JOSDER FAMILY!!

Why not, my grandma Sigi Q who has been married to my grandpa for 45 years almost killed my grandpa for this

啊!

How come?

Chaos?

This is called Stand, even Joseph Josder has a stand of his own, only stand wielders will be able to see stands. And you, havet his ability since you were 4 years old.....

You see this?

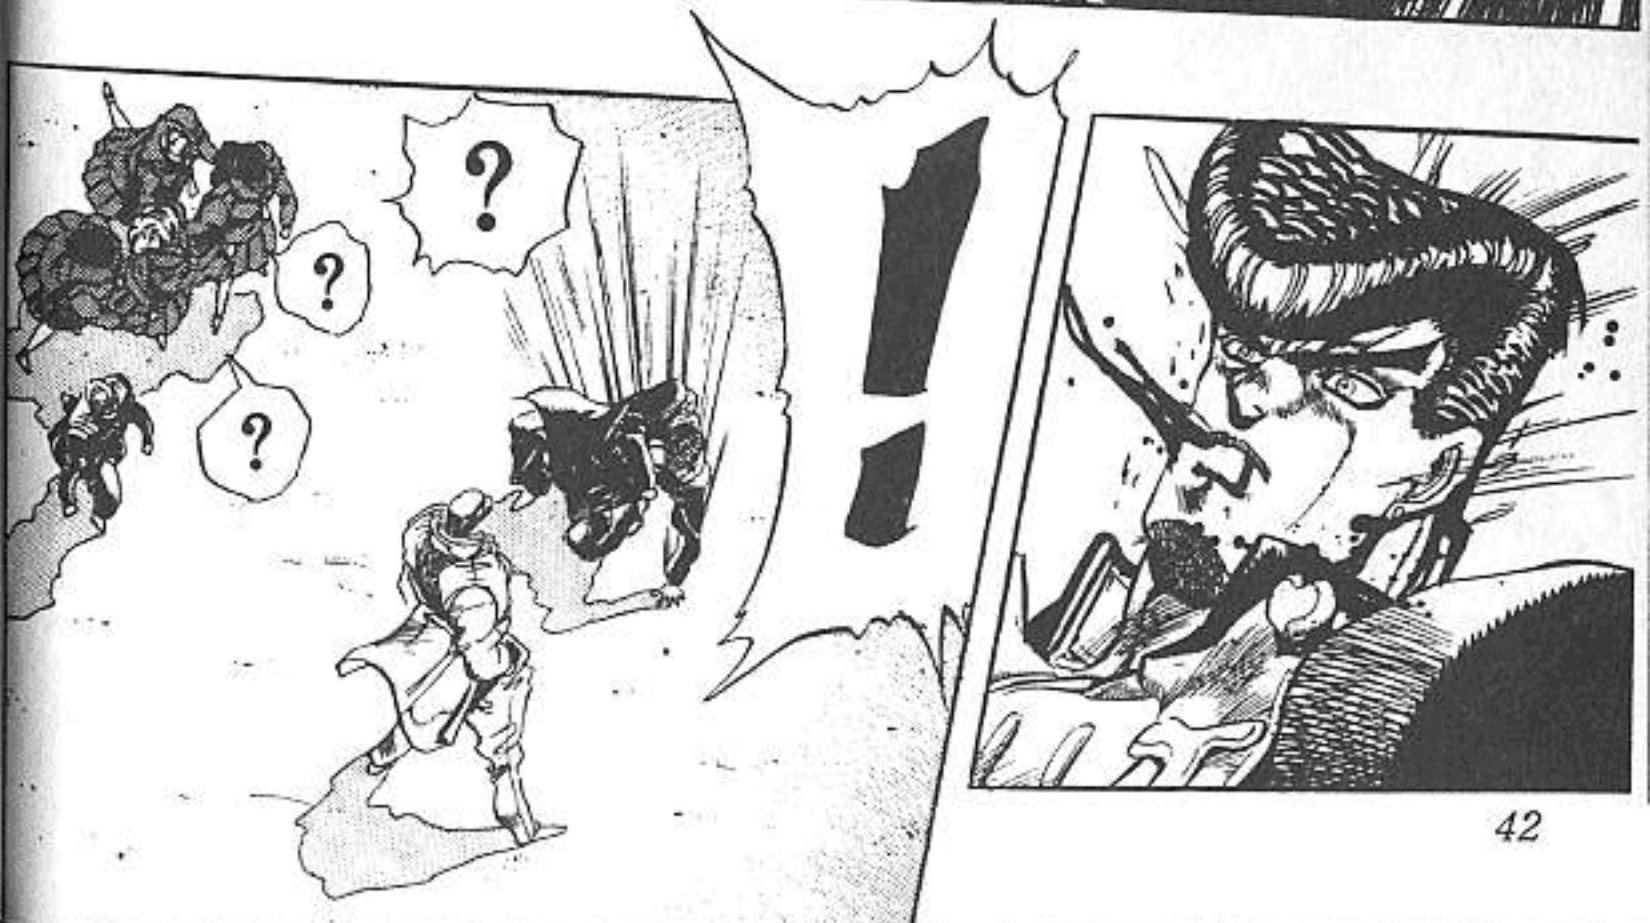

I don't even know why I am being so angry, but being angry is one of your instinct, and I am just following my instincts.

I won't let anyone talk bad about my hair, not anyone!

He didn't hear me

Damn!

not sure if I can
take him.....

Shit, It's been
almost 10 years
since I've used
time stop.....

Is it changing state?
his stand can
restore or change
the state of broken
objects, if he had hit
me in the face or
head just now.....

This
hat.....

49

I feel i know
you less and
less...

Scary guy, but if
he's on my side,
then it will be a

I will be staying

But if you do see
this guy, don't get
close to him,

police won't do any
good, hear me?

Koichi, you
might not
understand
this.

Josuke, your
power is very
dangerous,
don't use it
unless you have
to OK?

See you
tomor-
row!

Who's this
guy after
all?

Wait!

Be careful.

It might have
nothing to do
with you, but
you better know
about this...

He ended up
showing up
on the pic

Maybe this
guy has
more stand
power than
Josuke....

Grandpa
was gonna
take a
picture of
you.

Last crime done even the rats in the toilet will puke because of its sickness nature.

He raped and killed 2 of the teenagers, robbed them of their valuable possessions. When he was trying to kill the 3rd teenager, he found out that he is the only son of a very rich man. He changed his mind into threaten the family for ransom.

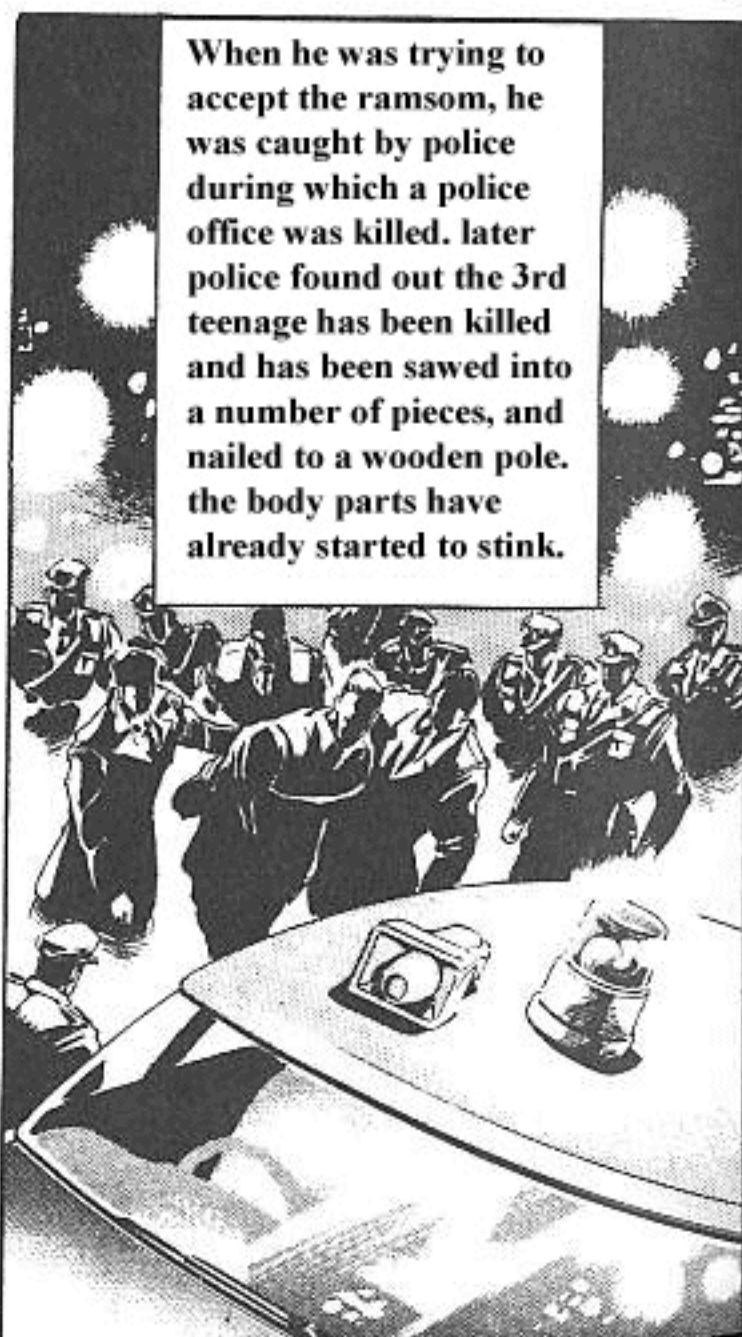

in 1994, he meets three 14 year old teenagers.

October last year, he was hanged, but after 20 minutes on the rope, Angelo still lives, therefore the execution was rescheduled....

last year 1998, something strange happened....

EXECUTION!

When he was trying to accept the ransom, he was caught by police during which a police officer was killed. later police found out the 3rd teenage has been killed and has been sawed into a number of pieces, and nailed to a wooden pole. the body parts have already started to stink.

I hope he is not linked to Josuke by any way.

I really don't want to tell the truth to Josuke. Is this guy here by accident?

at the age of 12, he was arrested for robbery and rape, sent to juvenile correction center. after being released, he travel through all of japan, conducting all kinds of crimes. he's in jail or prison almost all the time.

My mom is very strong, but she still loves my dad, if she thinks about my dad, she will cry, and if she sees you, she will know that you have something to do with my dad.

The police is currently investigating the possibilities of an rare disease or chances of accidents happening.

The police have found a murder victim with serious damage to the ears and mouth area. This is already the 7th murder victim killed with the same cause of death!

I feel suspicious.....

some serious criminal has came and hidden in our town....

嗯?

This is the 7th already

HE CAUGHT ME WHEN I WAS 12, EVEN TILL TODAY, HE'S STILL A STREET COP, HAH!

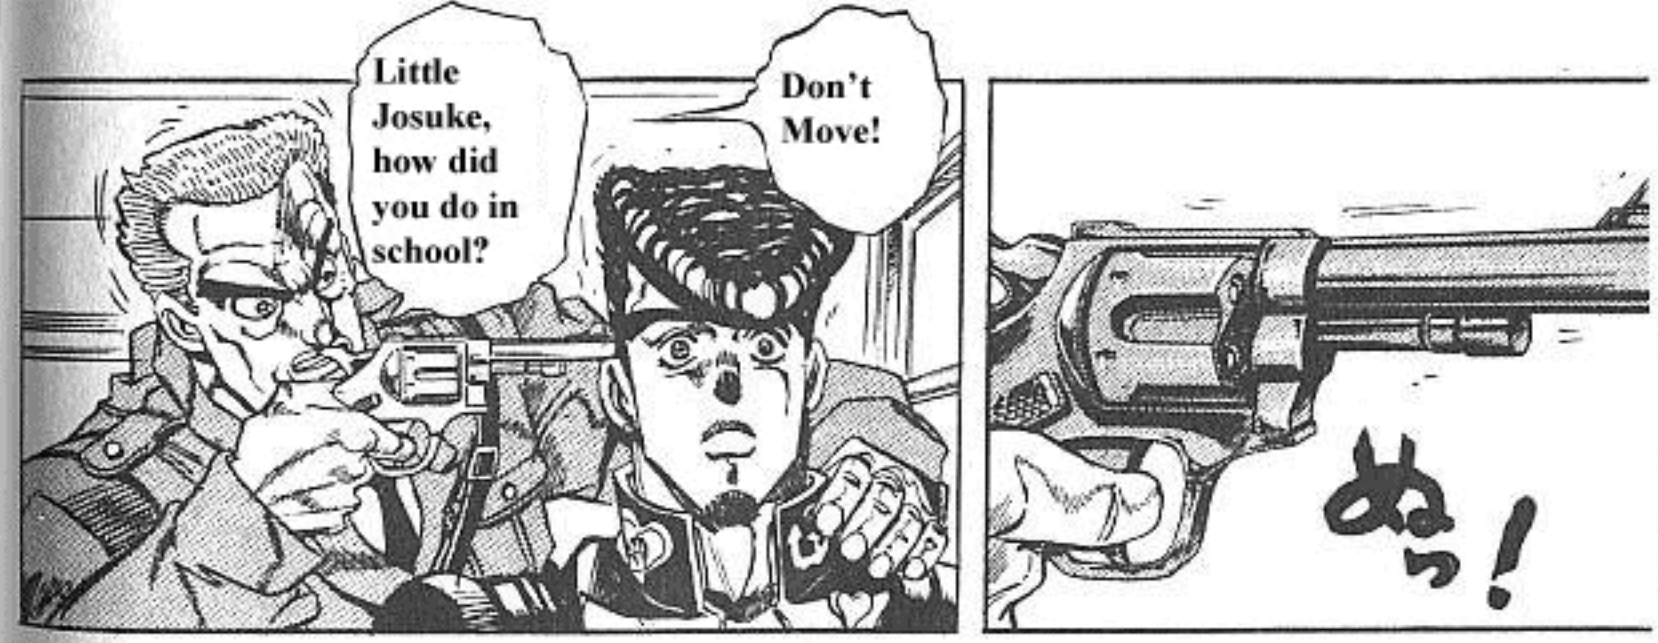

THEY HAVE THE SAME FAMILY NAME, OH I SEE, THIS IS THAT COP'S HOME!!

Ryohei

That cop! I remember very well, that cop....

Ryohei Higashikata

I know everything there is about you!

Little Josuke, how did you do in school?

Don't Move!

I... um....am waiting for someone, he will be here shortly!

shut up and answer my question!!

Grandpa!! How can you bring the gun back home!?

you have to
drink some
brandy to
relax a little

Ryohei, I know you
too well, everytime
you work over-

バキバキバキ

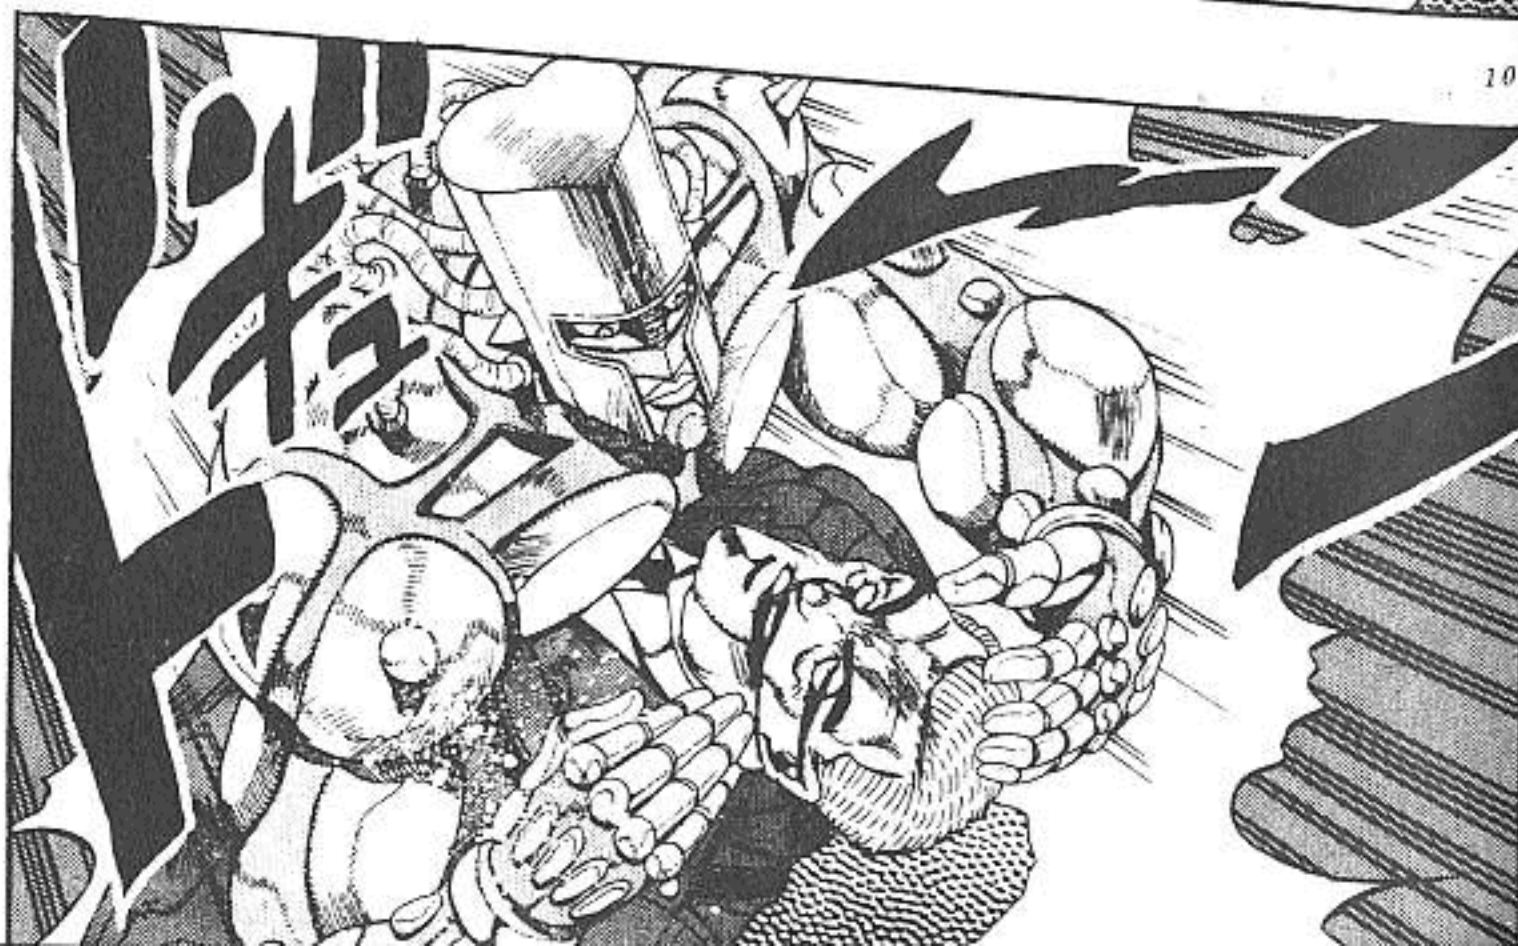

My grandpa opened the bottle...

No worries, these little wounds are nothing

I WILL HEAL HIM WITH MY STAND!

109

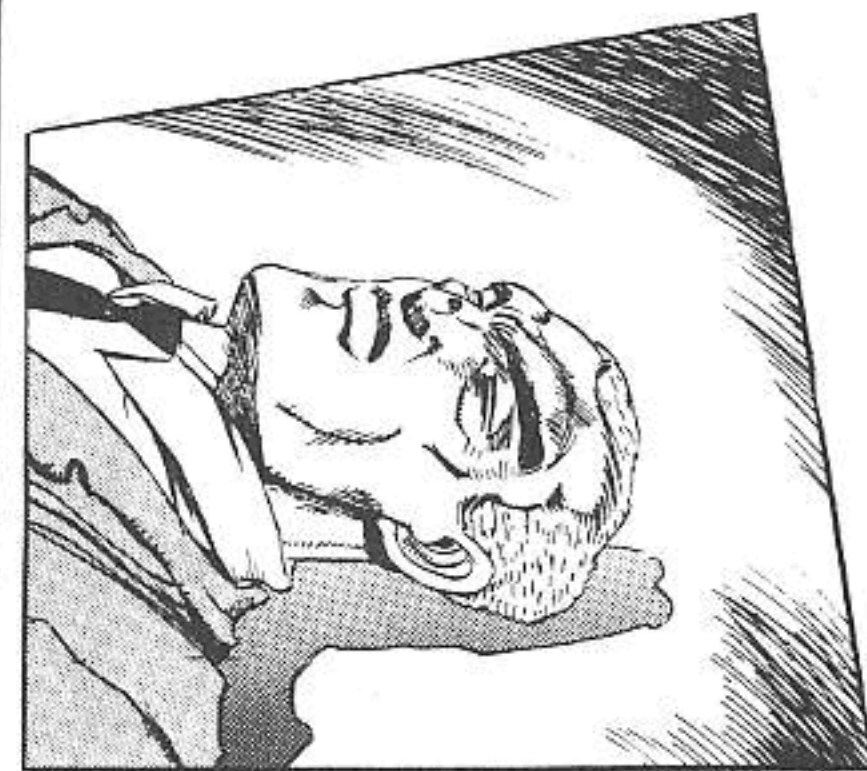

SO.... very powerful....

You got balls, I will be back for you!

108

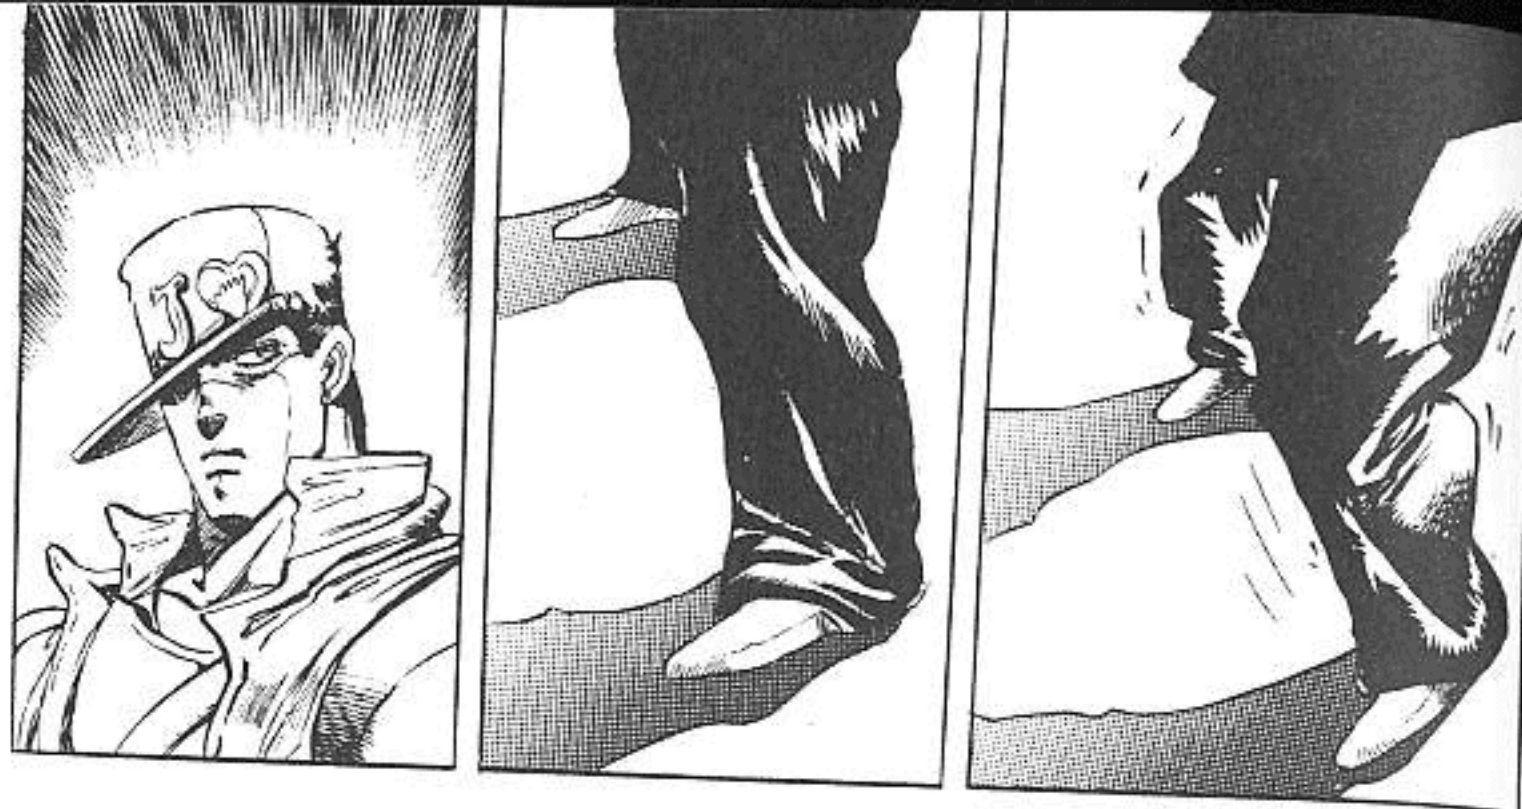

So your power is the most loving and gentle power in the world..

but there is no way to bring back lives once they are lost....

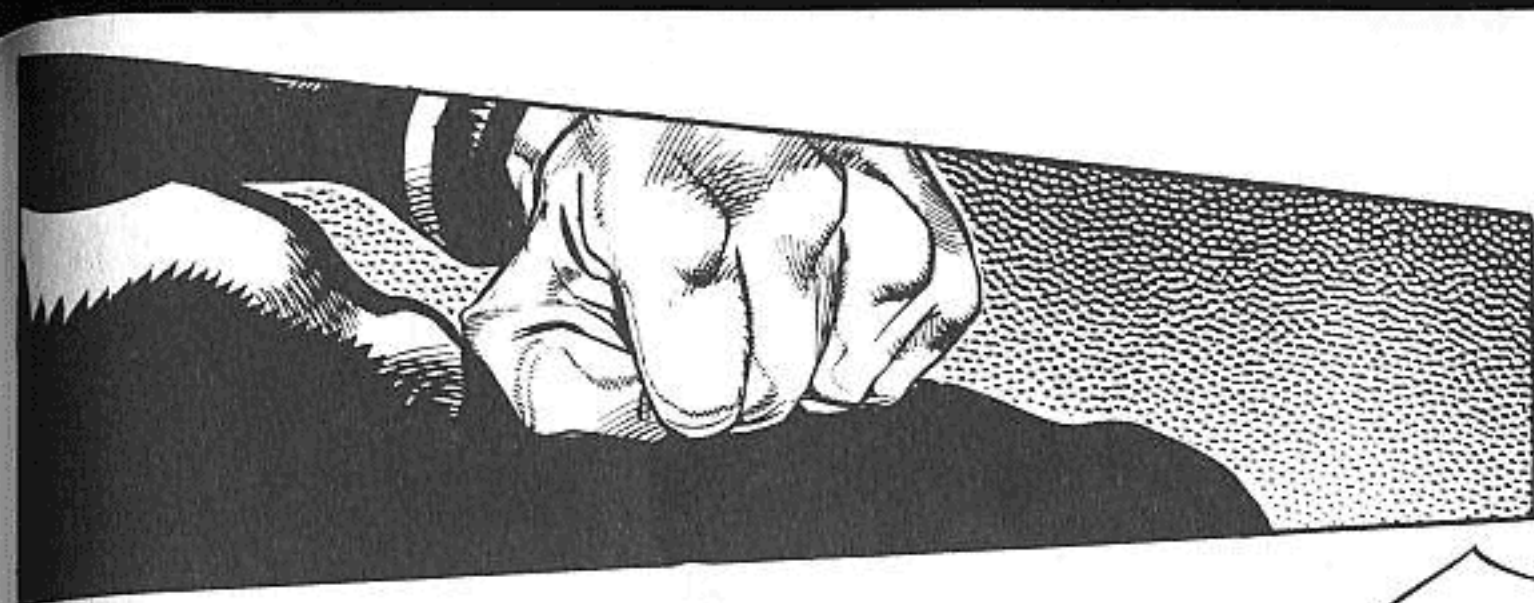

I can heal since I was little, even bone fractures. I've healed all of grandpa's wounds.

NO MATTER WHAT
HAPPENS, I WILL
DO THIS FOR MY
GRANDPA!!

I WILL
PROTECT
THIS TOWN
AND MY
MOM!!

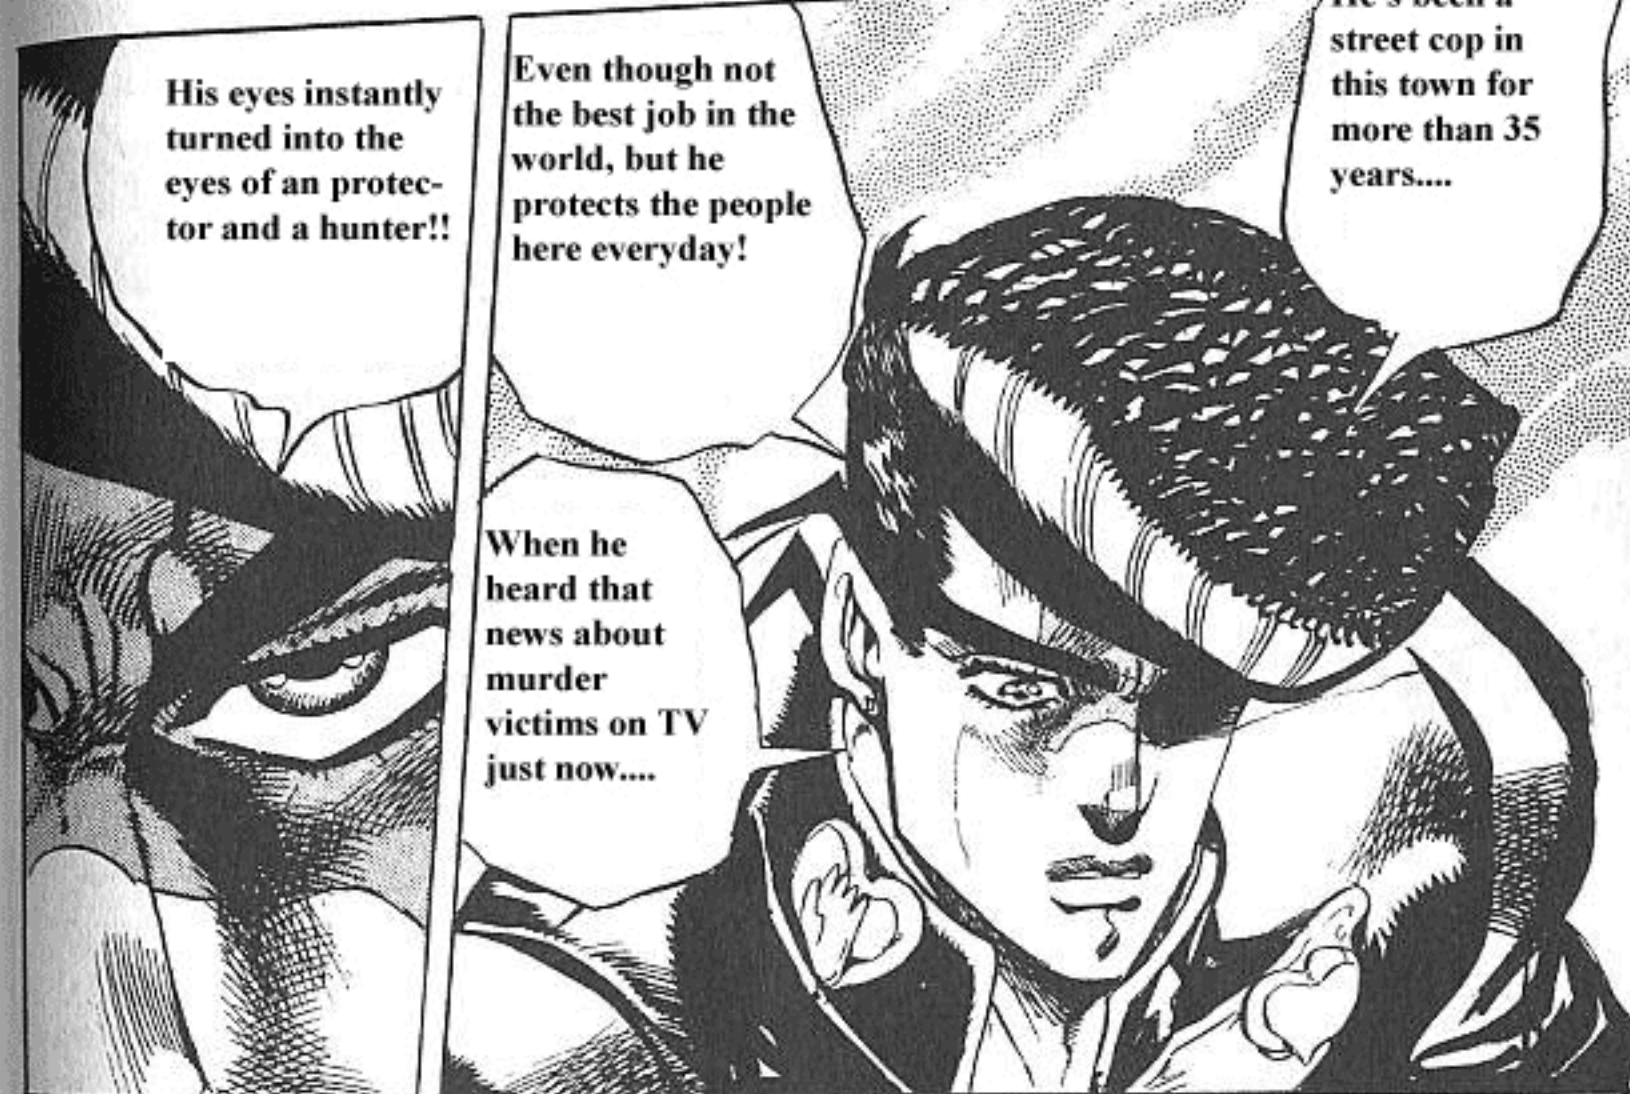

His eyes instantly
turned into the
eyes of an protec-
tor and a hunter!!

Even though not
the best job in the
world, but he
protects the people
here everyday!

He's been a
street cop in
this town for
more than 35
years....

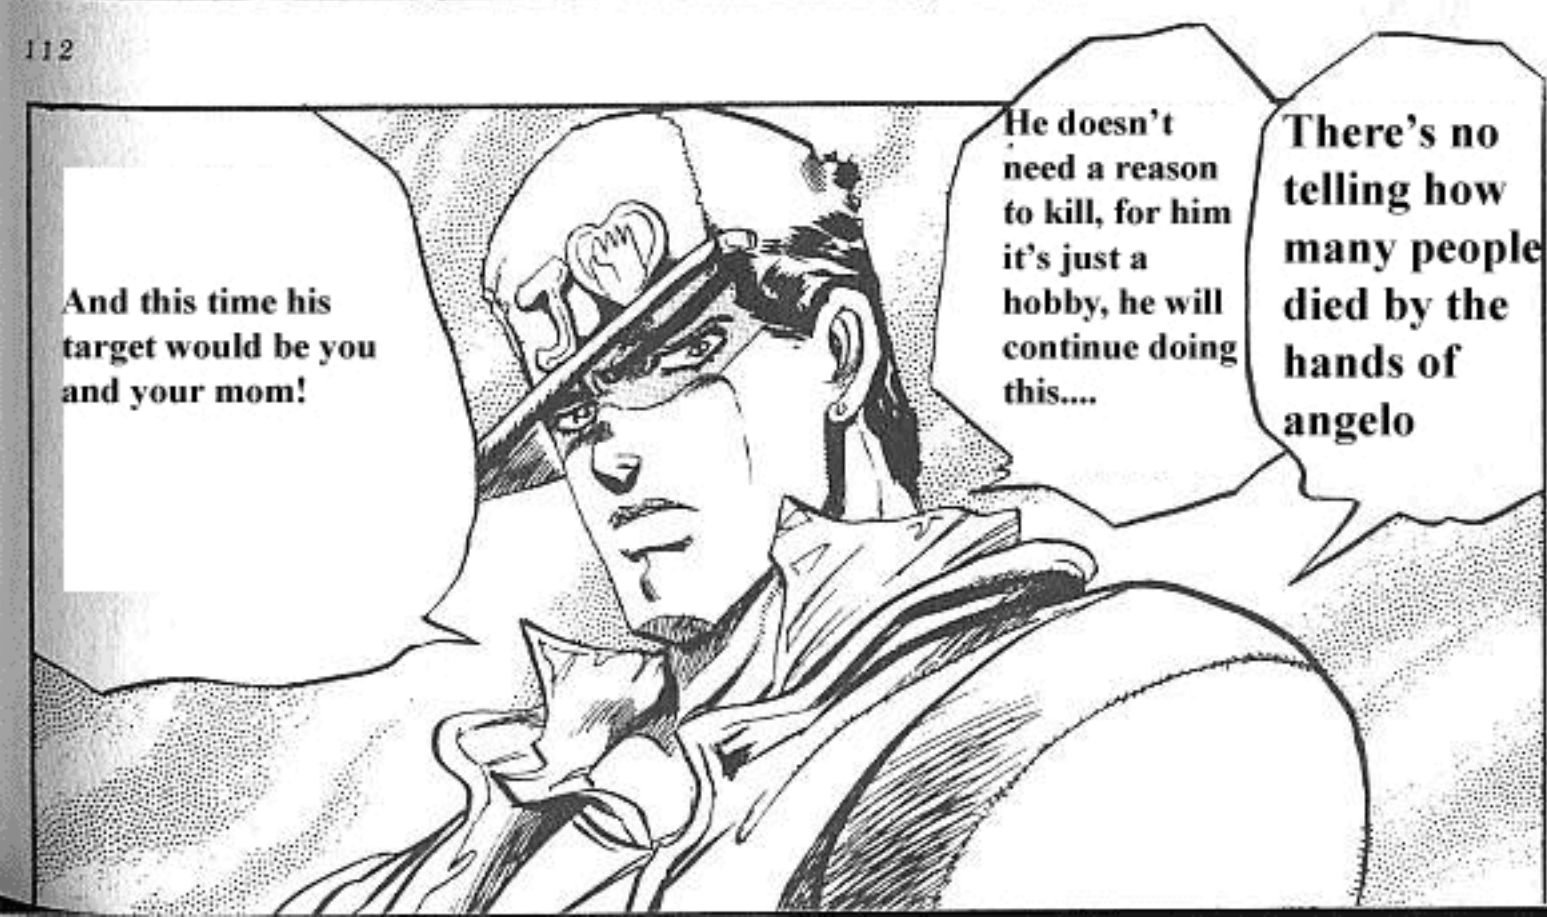

When he
heard that
news about
murder
victims on TV
just now....

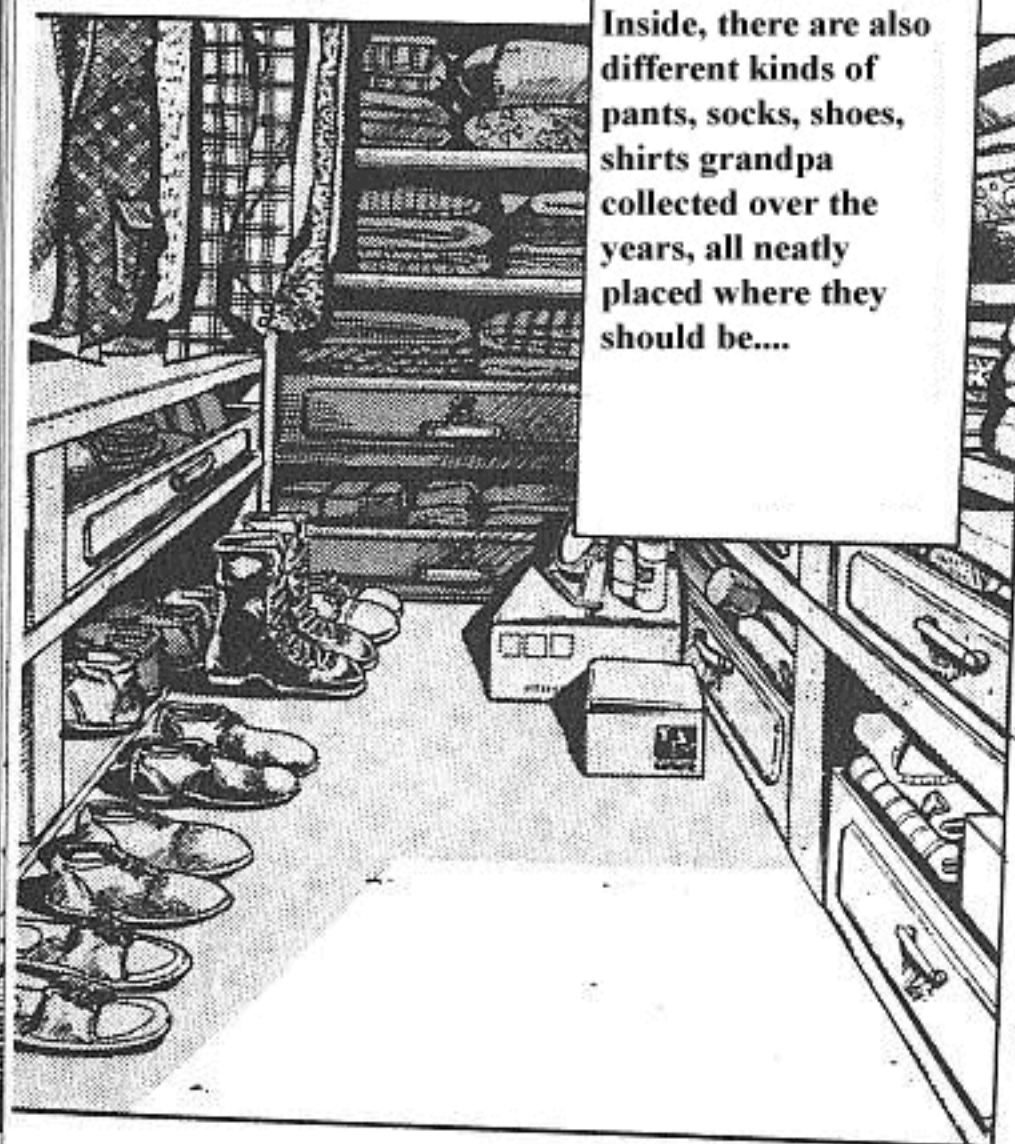

And this time his
target would be you
and your mom!

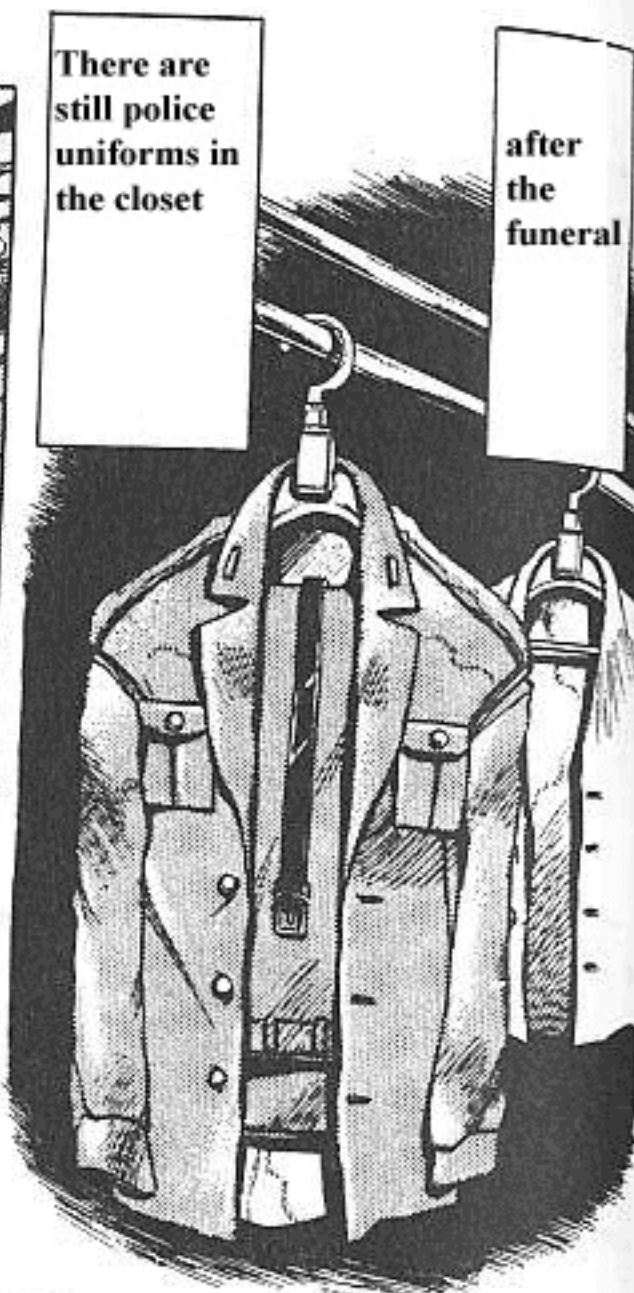

He doesn't
need a reason
to kill, for him
it's just a
hobby, he will
continue doing
this....

There's no
telling how
many people
died by the
hands of
angelo

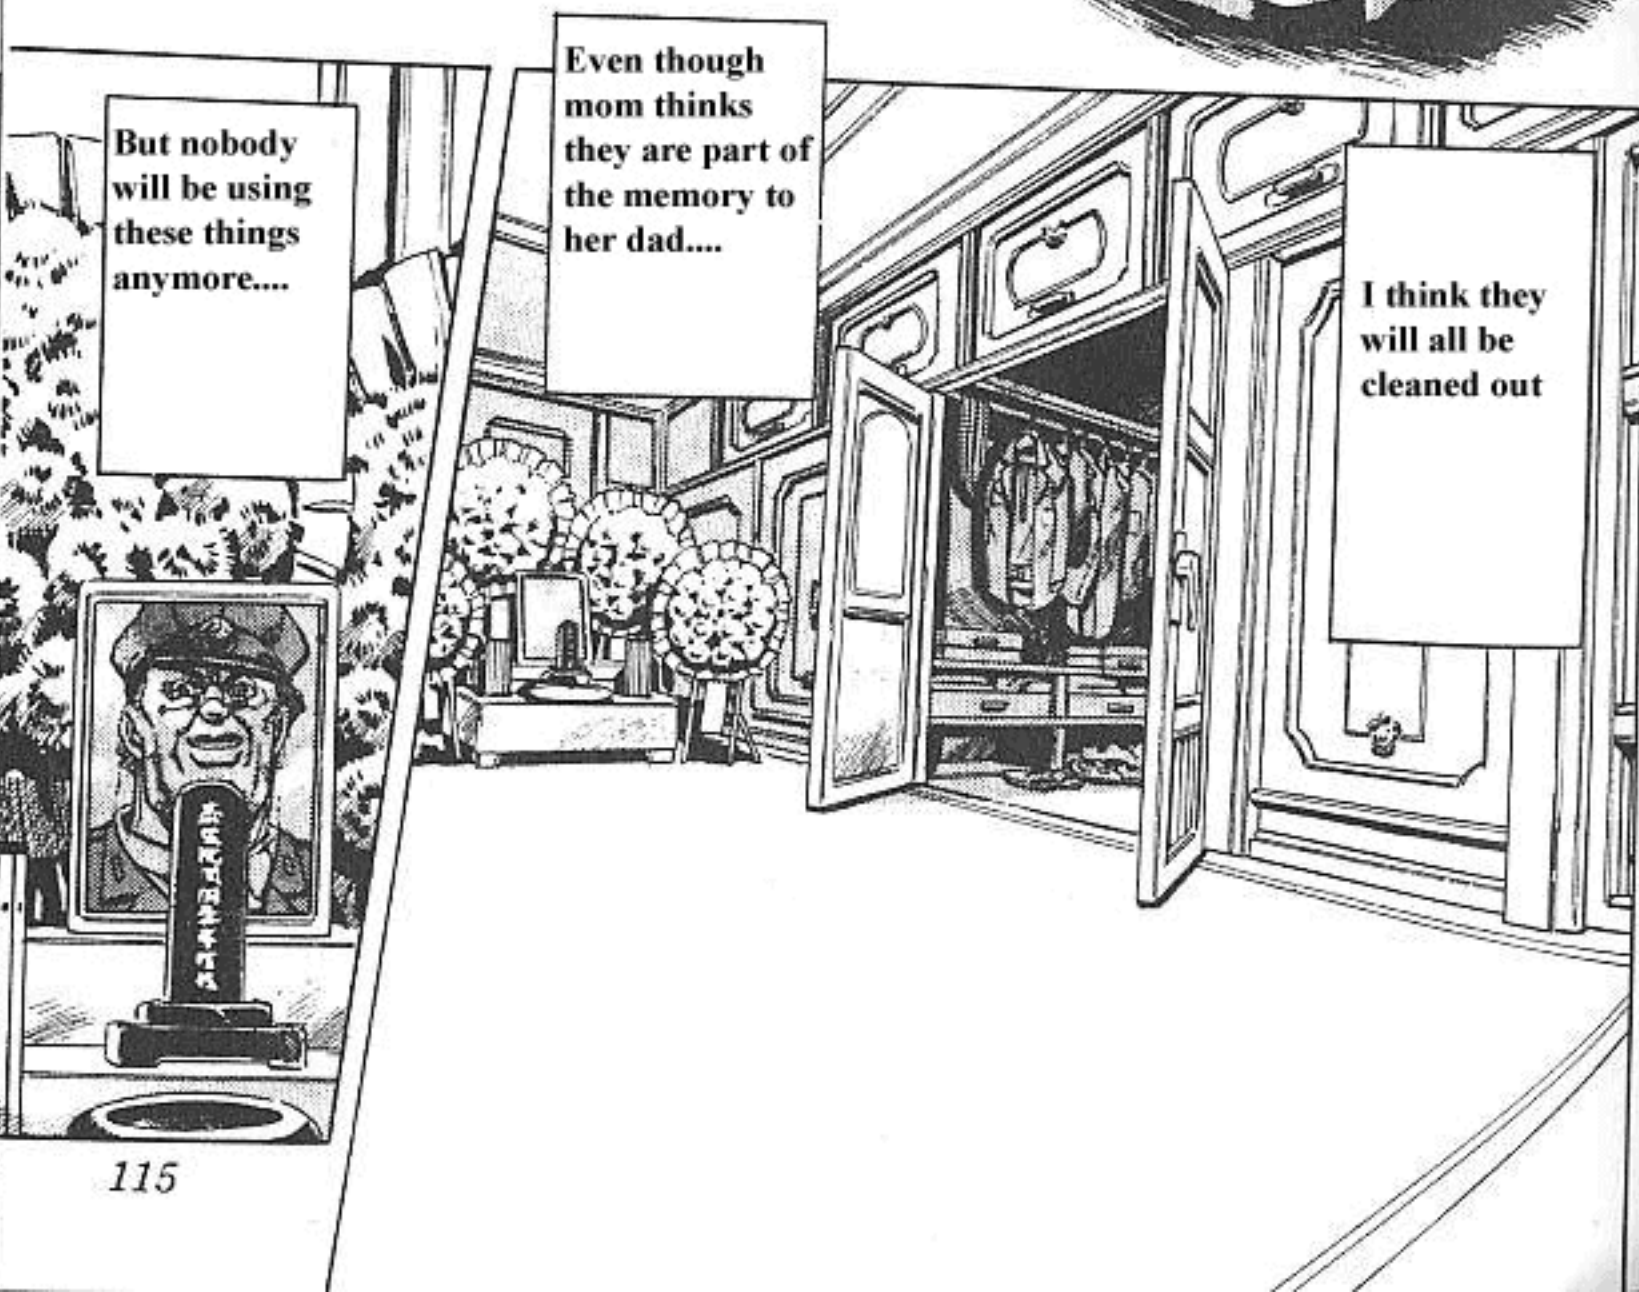

Inside, there are also different kinds of pants, socks, shoes, shirts grandpa collected over the years, all neatly placed where they should be....

There are still police uniforms in the closet

after the funeral

But nobody will be using these things anymore....

Even though mom thinks they are part of the memory to her dad....

I think they will all be cleaned out

Standing in front of the bed, staring at me

It's a weird guy

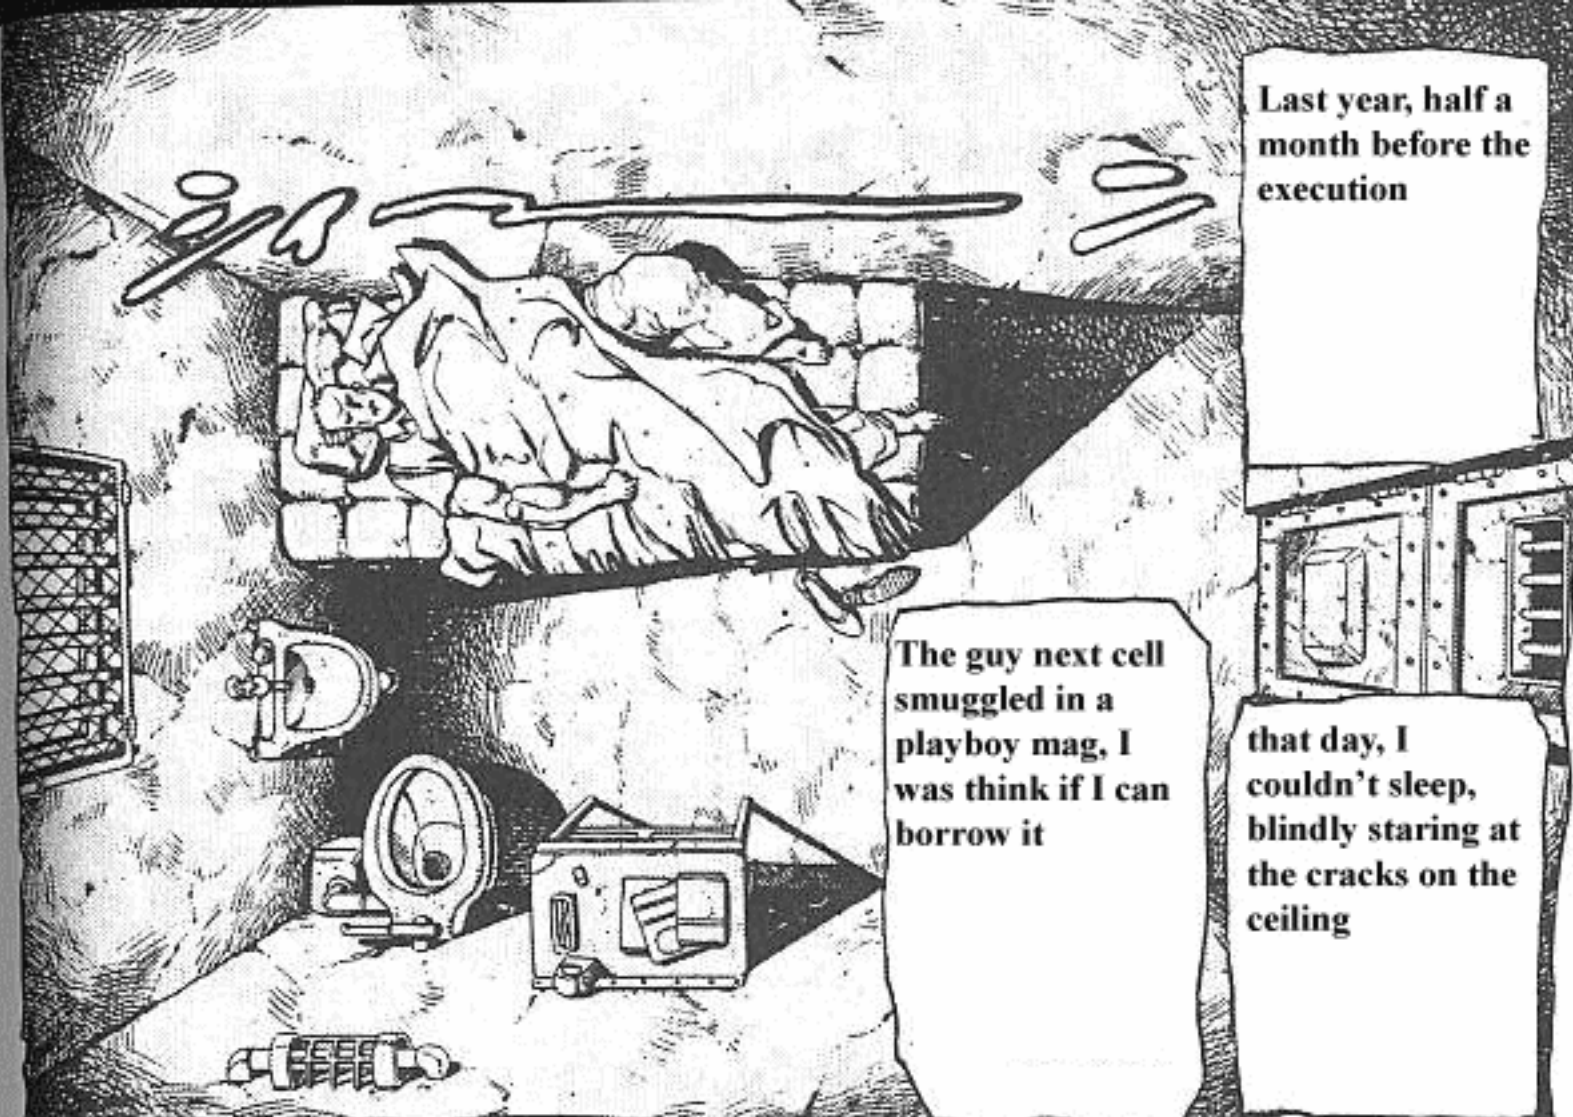

Can't see his face, so I couldn't tell if it's a kid or a old guy

wearing a school uniform

Before I could realize what was going on

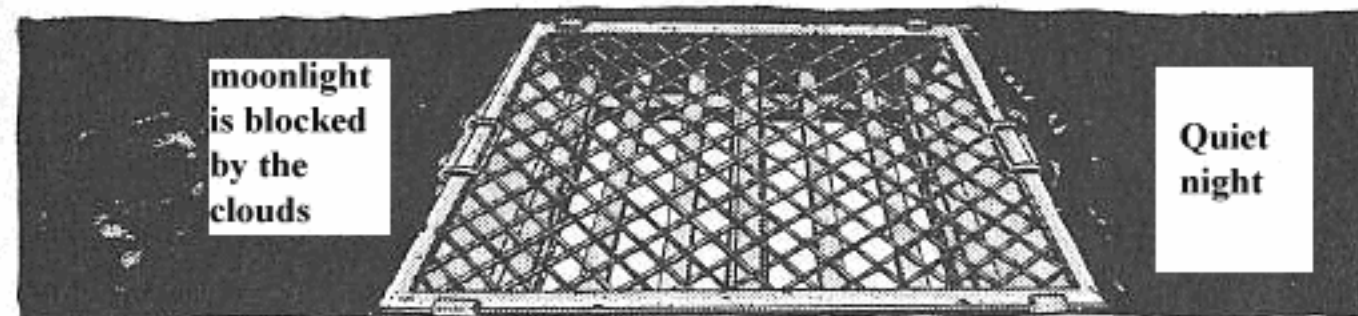

159

Last year, half a month before the execution

The guy next cell smuggled in a playboy mag, I was think if I can borrow it

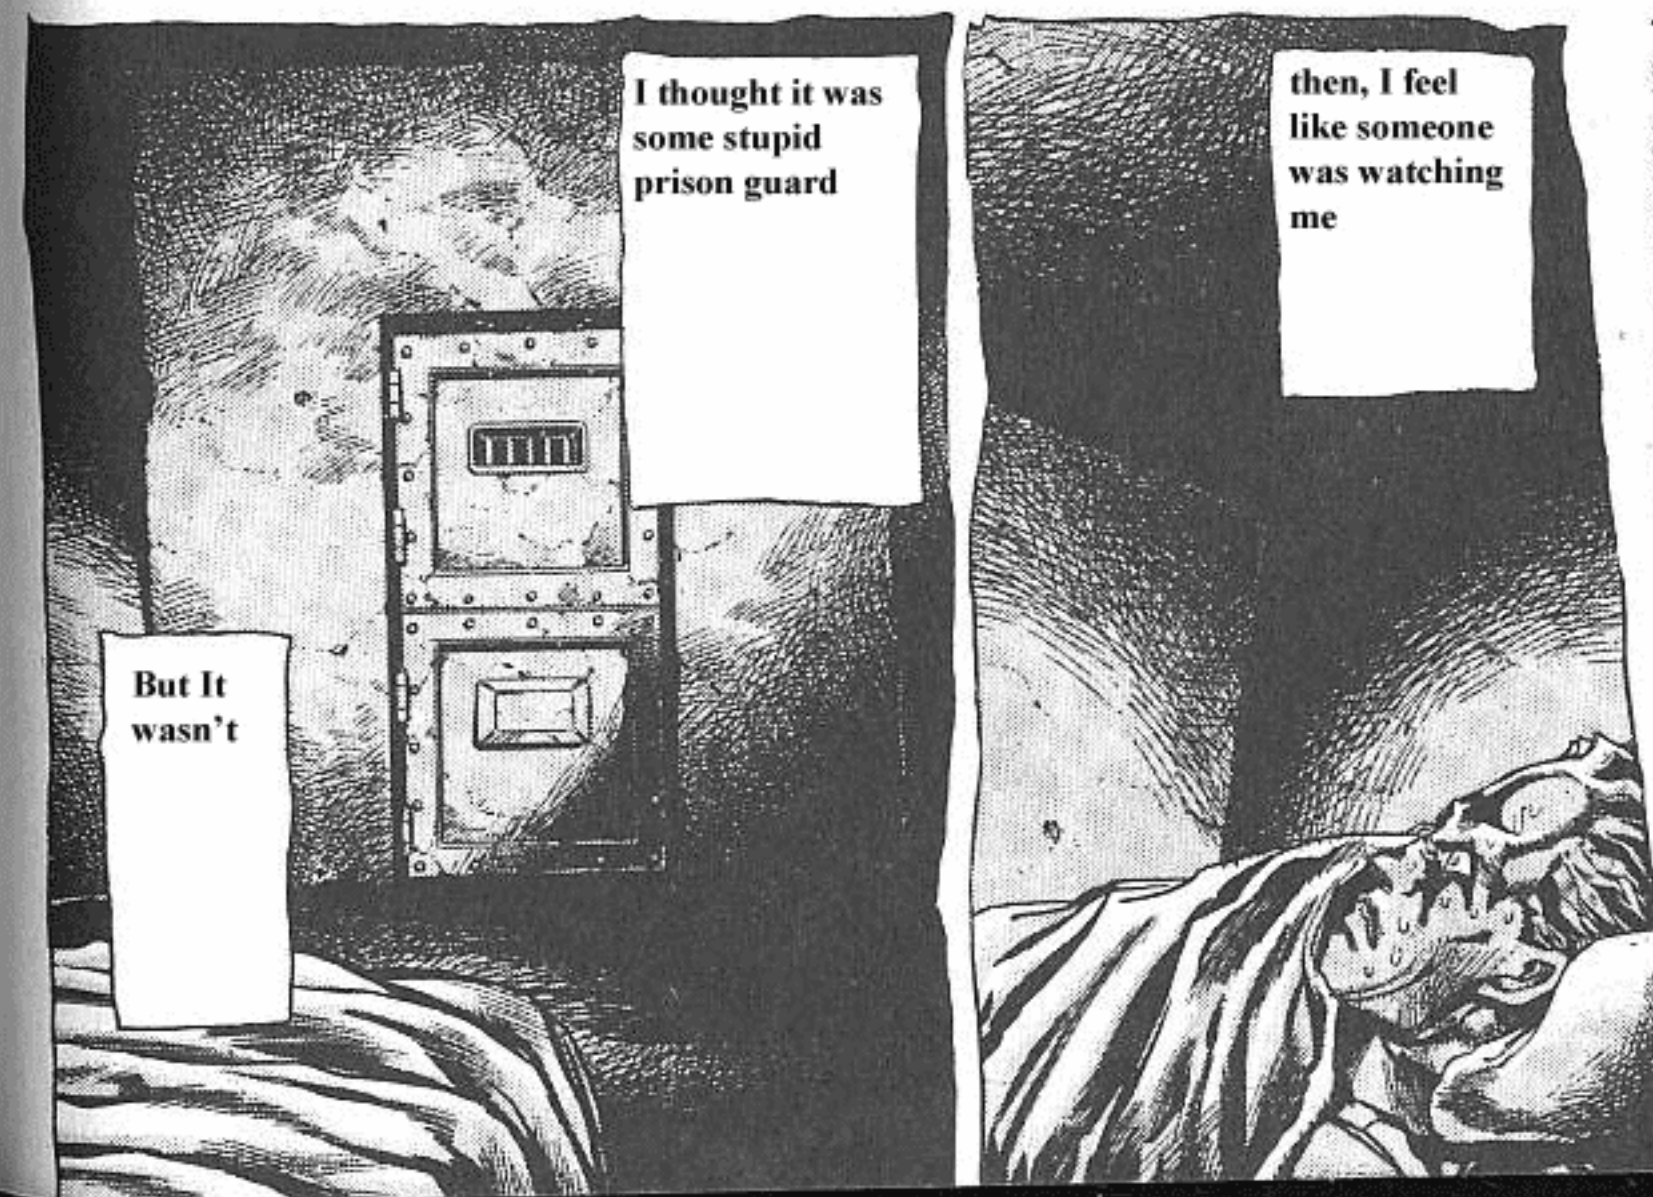

that day, I couldn't sleep, blindly staring at the cracks on the ceiling

moonlight is blocked by the clouds

Quiet night

shooting at me
all of a sudden

a very old
looking pair
of bow and
arrow, looks
like it's
hundreds of
years old

I saw him
picking up a
bow and an
arrow

Then you have a certain gift. the gift is called Stand, named by a man called Dio

If you got shot and can still be alive....

you've got the gift, or you will be dead by now

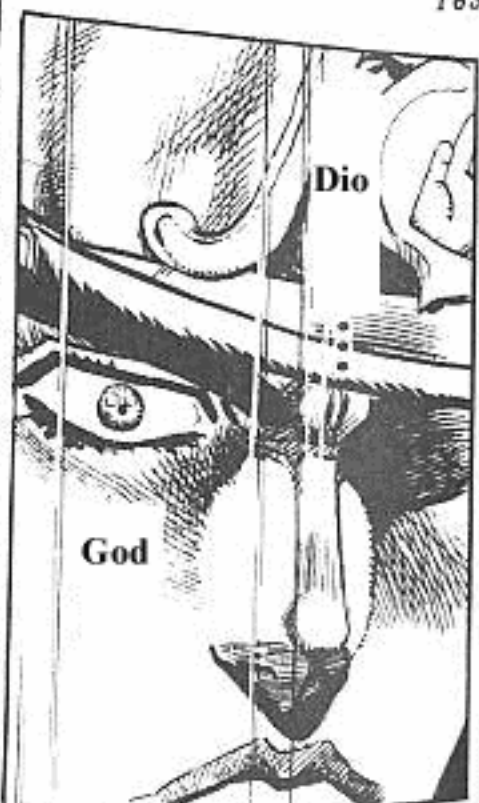

Its power comes from your mind

Stand is a spiritual gift

more evil a criminal gets, he is more likely to awake this ability

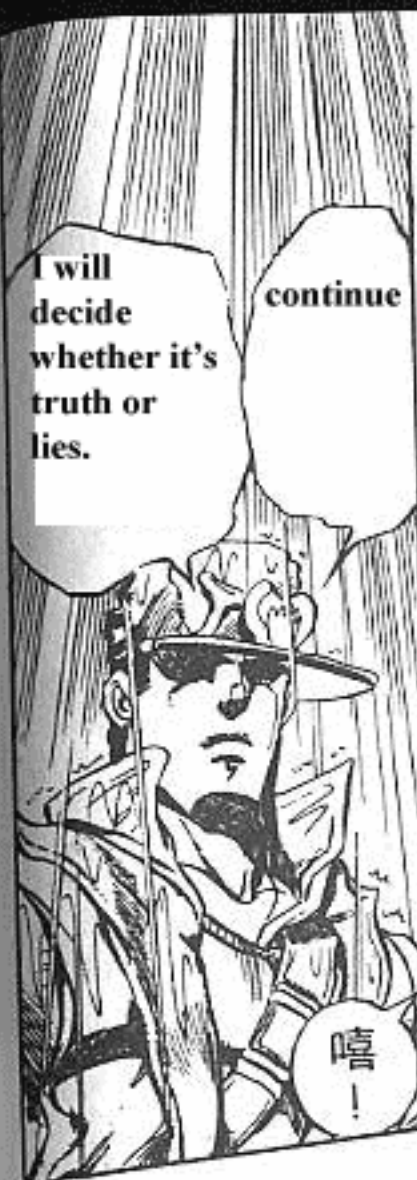

163

Dio

God

I will decide whether it's truth or lies.

continue

嘻!

Or went crazy

You must be thinking I am dreaming

...

嗚呃

The arrow went through my head, but I wasn't dead for some reason

162

He finally talked

You are still alive....

Congratulations.....

I didn't know how he got out without a key

I am over there, want to meet me, go there....

your destination is the town of Duwang

It's a neat little town....

Who will believe this shit

HM!

He said?

This is how I got my stand

I don't know who he is, where he is, what does he want me for....

Who cares, he wants me to do anything I please...

I do

you can escape now

you won't die even if they hang you

When you get out, do anything you want, kill people, burn down building.... anything

who are you?

Just want a friend

I am your friend

Don't ask

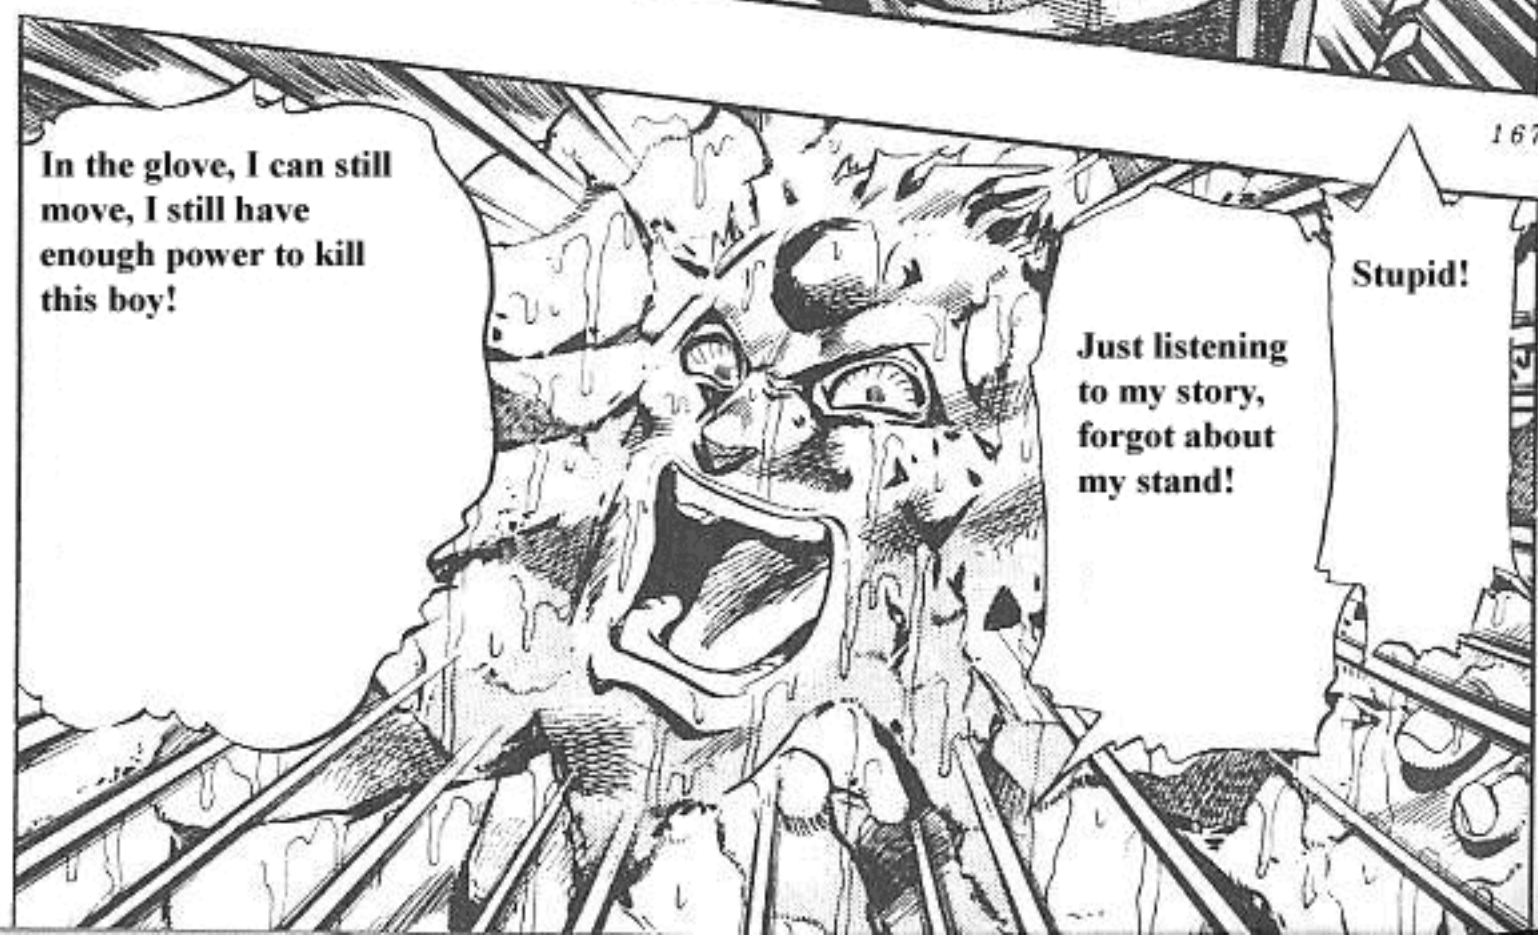

The guy with the bow and arrow, might be a new enemy

in 1988, Dio received the power to wield stand, now I finally found out how from what he told me

Dio was alive 10 years ago

In the glove, I can still move, I still have enough power to kill this boy!

Just listening to my story, forgot about my stand!
